

BA GROUP is expanding and we need you!

Join our company with more than 3,800 employees and be part of the leading multinational glass packaging company.

At BA we believe in happiness, so we create experiences "by HeART", with Humbleness, Emotion, Ambition, Rigor and Transparency.

Our more than 8 billion bottles, present in the daily lives of all of us, are inspired and developed by 3,800 people, in 7 countries, 12 geographies and exported to more than 80 countries worldwide. We are more than a reference supplier based on continuous innovation and internal entrepreneurship.

We are seeking for a Engineer Trainee to integrate the Maintenance Department located in Bucharest plant.

REQUIREMENTS

- Last year in University or Degree in Mechanical/Electromechanical or Electronics Engineering;
- Predisposition to work within industry and in maintenance department;
- Advanced English language skills;
- Good communication skills;
- Ability to activate under pressure;
- Good energy, proactivity and ability to be part of a team;
- Ability to activate autonomously and according time management and priorities.

We'd love to meet you!

Send us your CV to: humanresources_bu@baglass.com
Until: 20.05.2021

Please send your CV in English!
